

The following questions are to be answered by the self-employed person (freelancer, solo self-employed person). There is no specific form for submitting or answering the questions.

Questions on self-employed status

- Do you employ people who are subject to compulsory social security insurance?
- Have you registered a business or do you have confirmation that you are self-employed?
- Do you have a market presence or do you advertise in the market (internet/social media presence, entrepreneurial initiatives, listing with an agency, use of your own letterheads and templates etc.)?
- How long have you been self-employed?
- Prior to your Vattenfall assignment, did you have clients outside the Vattenfall group?
- Were you employed (in a dependent employment relationship) by a Vattenfall company in Germany in the past two years?
- Do you have your own business premises for yourself (and your employees, if applicable)?
- Do you operate in the market under a firm name? (if so, please state)
- Will you be working as a subcontractor/contractor for Vattenfall companies in Germany at the same time via various assignments?
